

Announcing HAZ-L
An Electronic Announcement List to serve the
SKIP Community

Dear Parents/Guardians,

The SKIP electronic mailing list, HAZ-L, has been created to increase the communication between school and home. HAZ-L is an “announcement list” that utilizes your e-mail connectivity to keep you up-to-date with school information. By signing up to HAZ-L, information that is important to parents; such as meeting dates, upcoming events and school news is delivered directly to your own personal e-mail. HAZ-L supplements existing communication methods such as newsletters and flyers sent home with students and is not intended to replace these existing vehicles.

HAZ-L was implemented to enhance parent communication and we are happy to be able to provide this free service. If you haven't already signed up, please fill out the form below and return to the Hazard School office. All information will be kept confidential.
